REQUEST FOR RECONSIDERATION OF HOLDING OF ABANDONMENT UNDER M.P.E.P §711.03

Sir:

Applicants received a Notice of Abandonment for the above-identified patent application, which Notice was mailed on 19 July 2006. The Notice stated that no reply was received to the Notice of Missing Requirements mailed on 2 September 2005.

Applicants respectfully request a withdrawal of the abandonment, in view of the evidence provided herein that a sufficient response was timely filed in reply to the said Notice of Missing Requirements.

Attached hereto are the following evidentiary documents:

- The Notice of Missing Requirements Under 35 U.S.C. §371 in the United States Designated/Elected Office, mailed on 2 September 2005.
- A copy of Applicants' Response to the Notice of Missing Requirements submitted 1 November 2005 including a copy of the Notice of Missing Requirements, a Transmittal Fee Sheet, an executed Declaration, and a return postcard.
- A copy of the stamped return postcard, demonstrating receipt of Applicants' response by the USPTO on 3 November 2005.

In view of the above evidence, Applicants respectfully submit that a timely response was filed to the Notice of Missing Requirements of 2 September 2005, and the basis for the Office's holding of abandonment is thus in error.

Withdrawal of the abandonment of the present application is therefore respectfully requested.

No Fees are believed to be due with the submission of this Request. However, the Commissioner is hereby authorized to charge any fees due under 37 C.F.R. §§ 1.16 and 1.17 that may be required by this Request, or to credit any overpayment, to Deposit Account No. 50-1953.

CONCLUSION

Applicants submit that the pending claims define an invention that is both novel and nonobvious, and thus all claims are believed to be in proper condition for allowance. Acknowledgement of this status by the Office in the form of an early allowance is thus respectfully requested. In addition, if the Office contemplates taking any action other than withdrawal of the abandonment of this application, Applicants request that the Office contacts the undersigned at (408) 777-4915.
